

Portman Ridge Finance Corporation Announces Declaration of Distribution

March 17, 2020

NEW YORK, March 17, 2020 (GLOBE NEWSWIRE) -- In response to the current market conditions and shareholder feedback, the Board of Directors of Portman Ridge Finance Corporation (Nasdaq: PTMN) has proactively approved a cash distribution of \$0.06 per share of common stock, consistent with the current dividend policy. The distribution is payable on May 27, 2020 to shareholders of record at the close of business as of May 7, 2020.

We have adopted a Dividend Reinvestment Plan ("DRIP") that provides for reinvestment of our distributions on behalf of our stockholders, unless a stockholder elects to receive cash. As a result, if we declare a cash distribution, our stockholders who have not "opted out" of our DRIP will have their cash distributions automatically reinvested in additional shares of our common stock, rather than receiving cash. Please contact your broker or other financial intermediary for more information regarding the DRIP. Distributions may include net investment income, capital gains and/or return of capital. The tax status of distributions will be determined at the end of the taxable year.
