

Portman Ridge Finance Corporation Announces Distribution of \$0.06 per Share

February 12, 2021

NEW YORK, Feb. 12, 2021 (GLOBE NEWSWIRE) -- Portman Ridge Finance Corporation (Nasdaq: PTMN) (the "Company" or "Portman Ridge"), a business development company, today announced that its Board of Directors approved a cash distribution of \$0.06 per share of common stock. The distribution is payable on March 2, 2021, to shareholders of record at the close of business on February 22, 2021.

Portman Ridge maintains a Dividend Reinvestment Plan ("DRIP") that provides for reinvestment of distributions on behalf of the Company's stockholders, unless a stockholder elects to receive cash. Accordingly, if Portman Ridge declares a cash distribution, stockholders who have not "opted out" of the DRIP will have their cash distributions automatically reinvested in additional shares of the Company's common stock, rather than receiving cash. Please contact your broker or other financial intermediary for more information regarding the DRIP. Distributions may include net investment income, capital gains and/or return of capital. The tax status of distributions will be determined at the end of the taxable year.
