**FOR IMMEDIATE RELEASE**

## **Portman Ridge Finance Corporation Announces Further Detail on its Previously Announced 1-for-10 Reverse Stock Split**

**NEW YORK**, August 23, 2021 – Portman Ridge Finance Corporation (Nasdaq: PTMN) (the “Company”, “Portman Ridge”, or “PTMN”) reported that it expects to implement the previously announced 1-for-10 reverse stock split effective Thursday, August 26, 2021 with trading to begin on a split-adjusted basis at the market open on that day. Trading in the common stock will continue on the Nasdaq Stock Market under the symbol “PTMN” but the security will be assigned a new CUSIP number.

The reverse stock split was approved by Portman Ridge’s shareholders at its annual stockholders’ meeting held on June 7, 2021, and on August 4, 2021, a reverse stock split ratio of 1-for-10 shares was approved by the Company’s Board of Directors.

Upon the effectiveness of the reverse stock split, every ten shares of the Company’s issued and outstanding common stock will automatically be converted into one share of issued and outstanding common stock. No fractional shares will be issued as a result of the reverse stock split. Instead, any stockholder who would have been entitled to receive a fractional share as a result of the reverse stock split will receive cash payments in lieu of such fractional shares. The reverse stock split affects all shareholders uniformly and will not alter any shareholder’s percentage interest in the Company’s outstanding common stock, except for adjustments that may result from the treatment of fractional shares.

In connection with the reverse stock split, the Company’s certificate of incorporation will also be amended to reduce the authorized number of shares of the Company’s common stock from 100 million shares to 20 million shares. Additional information regarding the reverse stock split can be found in the Company’s definitive proxy statement filed with the Securities and Exchange Commission on April 23, 2021.
